## Leading benefactors in Clearing the Way for a cure

Members of the Clear the Way Circle (CTWC) make gifts of \$1,000 or more to support the PCD Foundation. Together, these dedicated donors have a significant impact on the mission of PCDF by allowing the organization to invest in its most pressing priorities.

Your CTWC gift supports the expansion of programs and support initiatives focused on finding a cure for primary ciliary dyskinesia (PCD). CTWC donors help to fund increased research, accelerated diagnosis, improved health, and, ultimately a cure for PCD.
